Young Research Forum

Prestigious Award for Young Research's at [Chemistry World 2020](#) - Discovering New Exploration in Chemistry field Chemistry Conference Committee is glad to announce "11th International Conference on Chemistry" July 20 -21, 2020 in Florence, Italy by focus on the theme: "Exploring the New Dimension and Discoveries of Chemistry" Chemistry World 2020 developments are maintaining their momentum. Chemistry Conference program delves into strategic discussions.

Chemistry World 2020 Young Scientist Awards:

Chemistry Conference Committee is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Chemistry.

Young Research's Awards at [Chemistry World 2020](#) for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Chemistry World 2020 young research forum. .

Guidelines for Young Researchers Forum**Benefits:**

[Young Scientist Award](#) recognition certificate and memento to the winners.

Our conferences provide best Platform for your research through oral presentations.

Learn about career improvement with all the latest technologies by networking.

Eligibility

[Young Investigators](#), Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty with a minimum of 5 years of research experience.

- Presentation must be into scientific sessions of the conference.
- Each Young Researcher / Young Scientist can submit only one paper (as first author or co-author).
- Age limit-Under 35yrs
- All submissions must be in English.

[Chemistry World 2020](#) provides best platform to expand your network, where you can meet scientists, authorities and CROs from around the world. It's your time to grab the opportunity to join [Chemistry World 2020](#) for promoting your research article and to facilitate prestigious award in all categories. In this fame, we look forward for your contribution and astonishing dedication to make our Chemistry World 2020 more successful.

The prize winning papers will be considered for publication in the international journals once the paper is subjected to standard review procedures.

Candidates applying for the Young Researcher Award should send their resume, and a letter of recommendation (from a research adviser for students or a senior faculty member) to chemistryworld@europemeet.com along with the online application form below.

Criteria For Selection

Showcase your research through oral presentations.

Learn about career development and the latest research tools and technologies in your field.

This forum will give pertinent and timely information to those who conduct research and those who use and benefit from research.

Develop a foundation for collaboration among young researchers.

The forum will provide an opportunity for collegial interaction with other young investigators and established senior investigators across the globe.

Interact and share ideas with both peers and mentors.

Opportunity for young researchers to learn about the research areas of their peers to increase their capacity as multidisciplinary researchers.

Actively distribute information and promote the benefits of education and career matters.

Awards & Rewards
