Dear Stella:

Thanks for email. I have noted down and let you know in future. In the mean time if you like you may add my name in editorial board. It seem that your editorial board members are few in number.

This is just my suggestion, rest as your team wish.

Regards,

Azamal

Dear Dr. **Azamal Husen**,

I hope you are doing well!!!

It gives us immense pleasure to invite you to write a based **Short Communication** based on your previous article entitled "**Carbon and fullerene nanomaterials in plant system.**" for consideration and publication in forth coming issue of **Journal of Botanical Science**.

All the published articles will get indexed in **Cite Factor, DOAJ, CAS and Google Scholar**

You can submit manuscript at: <http://www.rroij.com/editorialtracking/botanical-sciences/index.php> or at [botanicalsci@rroij.com](mailto:botanicalsci@rroij.com)

We would like to appreciate receiving the submission of your articles on **March 21, 2016** as it would enable us to release the issue within the stipulated time.

**Kindly, let me know as soon as possible if you are interested in submitting a manuscript for our journal issue.**

It is an opportunity to take part in and to influence future trends in one of the fastest growing fields of research. If this time is not feasible for you then kindly let us know your feasible time to contribute towards the journal.

**We will be looking forward to hear a positive response from you soon.**

Have a great & Healthy day ahead!!

With Kind Regards,

Sincerely,

**Stella Maris**

**Journal Coordinator**

**Journal Botanical Sciences**
